

ACADEMY STAFF

Ruth Adekugbe

Girls U13+Academy

Director

C-Licence

Ruth was born in Manchester, England and raised in Calgary, Alberta, where she began her playing and coaching career. She began playing at seven and continued to post-secondary at the University of Calgary. During her playing career, Ruth won multiple provincial championships, played in two national championships, and returned home with gold from one. She also attended the Gothia Cup tournament representing Canada winning silver, while her youth team received the Alberta team of the year award. During Ruth's playing career, she was only under the tutelage of two female coaches which propelled her desire to grow females in the sport and create more female role models for girls to look up to.

Ruth's mission statement is: Empowering, Encouraging and Inspiring the next generation of female footballers.

Ruth is looking forward to continuing her coaching career at Rangers Soccer Club and growing the girls' program while continuing to further her knowledge in coaching in obtaining more licensing.
